## Decarbonising the Maritime Sector Workshop

**8 March 2023 – International Chamber of Shipping, London (10:00 – 15:00)**

### net-zero research network

We look forward to welcoming you to our workshop on Decarbonising the Maritime Sector.

**Date:** 8 March 2023.

**Venue:** International Chamber of Shipping, 7<sup>th</sup> Floor, Walsingham House, 35 Seething Lane, London, EC3N 4AH.

**Timings:** We invite you to arrive from 09:30 to register, and refreshments will be available. The event will start promptly at 10:00 and will end at 15:00.

We have participation from a range of key stakeholders from across the sector, including the following organisations:

PD Ports, The Sustainable Shipping Initiative, International Association of Classification Societies, NASH Maritime, Marine Capital, EDF, DNV, Hynamics, Maritime and Coastguard Agency, MSE International, MOL Group, Carisbrooke Shipping, Ceres Power, Silverstream, DFDS, Sustainable Maritime Solutions Ltd., Johnson Matthey, Environmental Defence Fund, MAHLE Powertrain Ltd., Clean Air Power, Port of Tyne, M&S Logistics, ABL Group, SeerBi, Zizo, University of Durham, University of Nottingham, and University of Birmingham.

The final agenda will be shared on the day, but to give you an insight into what we have planned:

- the morning will be dedicated to exploring the maritime decarbonisation agenda by involving you in a series of workshops with pre-defined themes.
- the focus of the afternoon will be shaped by you, but there will be time for networking, a discussion forum and more!

We look forward to seeing you next week!
